Description: View Point Health provides adult outpatient services and promotes overall health and quality of life through treatment services that reduce the impact of mental illness and substance abuse. Outpatient programs enhance psychological and social functioning, teaches coping abilities and lessens the impact of psychiatric disabilities, assists with vocation/educational opportunities and guides and supports to prevent relapse. Program services include assessments and goal attainment.

View Point serves children, adolescents and their families. Our "system of care" model is a strength-based, family-driven approach that involves family members, community partners and child-serving agencies in an effort to help youth and families stay together and face their behavioral health challenges. Our programs are:

Crisis Stabilization Unit: Serving 14-17 year old youth in a short-term residential setting who are in a psychiatric crisis. Contact phone number is (678) 209-2710.

The Clubhouse: Serving youth who are in need of intensive substance use treatment. Contact phone number is (678) 209-2550.

Care Management Entity: Uses the *High Fidelity Wraparound* model to serve youth who are currently in or at risk of long term, out of home placements. Contact phone number is (678) 209-2390.

Initial Intervention (Behavioral Health Screening): Serving youth who need initial behavioral health support to find appropriate community services. Contact phone number is (678) 209-2390.

Integrated Outpatient: Serving youth ages 5-21 who are dealing with physical health challenges and may benefit from integrated physical and mental health services. Services may include health screenings and ongoing care, as well as, individual, group or family counseling. Contact phone number is (678) 209-2745.

***24 hour access to care (678) 209-2411.**

CPS Intake: (770) 388-5030

Main Line: (770) 388-5025

Fax: (770) 785-6828

Description: The Childcare and Parent Services (CAPS) program helps families in Georgia pay for early childhood and school age care and education programs. Parents or guardians who have a limited income and are working, attending school, or in training, may qualify to receive subsidized child care. Subsidized care is available for children from birth to age 13 or up to age 18 if the child has special needs.

Families that qualify have limited incomes. The income that a family can earn and qualify for CAPS is based on the number of people in the family. There are no "resource" limits for CAPS; you may own a home, a care, etc. and still be eligible if you meet income requirements and if there are funds available to serve additional families.

Parents that receive DFCS subsidies for childcare may choose to have childcare provided by a childcare center, childcare group home, family childcare home, or a friend, neighbor or relative.

FOOD ASSISTANCE

United Way – 211

Referrals: For any referrals just dial “211” on your telephone.

Disclaimer: *You may be asked to participate in “praise and prayer” when requesting donations from faith based agencies and churches.*

Consider buying frozen dinners and meals. Most range from \$1.50 - \$4.00 each. They are microwavable and disposable. Keep packages of peanut butter or cheese crackers handy. Fresh fruit like bananas, apples and oranges are a great source of energy. A bowl of bran cereal is also a quick meal. Buy luncheon meats, cheeses and whole grain breads for sandwiches. Keep fresh milk and juice available at all times. Drinking at 8-10n glasses of fluids (preferably water) per day is very important. Dehydration is one of the top reasons for hospitalization among the elderly, even in winter months. Finally and most importantly, rely on your friends, neighbors and family. Don't be ashamed to ask for help!
