

**Program: Adult Mental Health Residential**

---

Our mission is to promote overall health and improve quality of life by ensuring the delivery of effective behavioral and physical health care that meets the needs of communities we serve.

**Internship Description**

View Point Health is excited to offer learning opportunities to energetic students who are interested in working in a fast paced environment with a leading comprehensive community provider specializing in recovery. By joining our team as an intern, View Point Health will offer a semester full of learning to support your educational and professional development. Supervision and guidance are provided by licensed/certified clinicians with various areas of knowledge and expertise.

**Responsibilities**

- Research and development of resource guides (to include but not limited to: foodbanks, health clinics, support meetings, financial assistance, etc.)
- Review clinical case notes and identify outreach needs
- Assistance with administering National Supportive Housing surveys
- Participation in Bridgeway Residential Council
- Shadowing Techs/Harm Reduction staff to observe weekly Skills Training interventions
- Observation of program intake assessments
- Shadowing residential housing inspections and grant compliance activities
- Quality Improvement Projects (e.g. referral process, follow-up surveys, etc.).
- Monitor program wait-list and identify improvements based on research and best practices
- Generate various programmatic reports and analyze outcome data
- Review and application of state and agency policies and practices related to MH residential (e.g. Supported Housing Needs and Choice Evaluation tool, Housing First model, etc.).
- Attends agency led meetings as directed by supervisor

**Requirements**

- Commitment to assigned role, tasks and schedule
- Enthusiasm for learning about key principles related to skills training and other therapeutic interventions to support recovery of persons served
- Self- motivated to gain knowledge and active participant in various program/agency projects

**Majors/Area of Study**

Psychology, Counseling, and Social Work.
